Key Facts

Owned a business previously	No
Business experience	Lamar Small is Managing Partner of Silver Beach Capital Partners, a self-funded investment firm. A native of Benton Harbor, Michigan, he combines his fifteen years of investment experience with six years of engineering experience in the acquisition and operation of small businesses. Previously, Lamar was Investment Director at UAW RMBT, leading a team in investment selection, due diligence and portfolio management for the Private Credit portfolio, totaling \$8.5B. Prior to UAW RMBT, Lamar was Senior Hedge Fund Researcher, a Quantitative Modeling Associate and an Industrials Equity Analyst at various firms. Before his investment management career, he designed automotive components at a large OEM. Lamar has an MBA in Investment Management from the University of North Carolina and a BS in Mechanical Engineering from the University of Kentucky with a minor in Japanese Studies. He is proficient in both Japanese and Brazilian Portuguese and has three years of international experience.

**Disclosure:** The information contained herein is provided by Mainshares, LLC (“Mainshares”) for informational purposes only and is not intended to influence any investment decision or be a recommendation for any investment, service, product, or other advice of any kind, and shall not constitute or imply an offer of any kind. The products and services offered by Mainshares are not offered by a certified public accountant (“CPA”) and should not be considered as a substitute for services provided by a CPA.

Broker-dealer services provided in connection with some of the investment opportunities on the Mainshares platform are offered through Main Street, a registered broker-dealer, affiliate of Mainshares, and member of [FINRA/SIPC](#). For additional information, please contact your licensed securities representative of Main Street Securities LLC or visit FINRA’s [BrokerCheck](#). If the investment opportunity does not include the “Brokered by Main Street Securities” designation, broker-dealer services were not provided in connection with the offering through Main Street.

Neither Mainshares nor Main Street Securities LLC make investment recommendations and no communication, through this Website or in any other medium should be construed as a recommendation for any security offered.

Should you be presented with an investment opportunity, such investment opportunities involve private, *unregistered securities that are speculative and involve substantial risk*. These investment opportunities are conducted in accordance with an exemption from registration, specifically relying on the private offering provision outlined in Section 4(a)(2) of the Securities Act of 1933, along with compliance with Rule 506 of Regulation D. All investments involve risk and the past performance of a security, or financial product does not guarantee future results or returns. There is always potential to lose money when you invest in securities or other financial products. Private placements lack liquidity and distributions are not guaranteed. You are strongly encouraged to seek professional advice prior to entering into any transaction for any securities and to consider your investment objectives and risks carefully before investing.

Neither the SEC nor any federal or state securities commission or regulatory authority has recommended or approved any investment or the accuracy or completeness of any of the information or materials provided herein or through any references/links herein. There can be no assurance that any valuations provided by issuers are accurate or in agreement with market or industry valuations. Neither Mainshares nor Main Street Securities LLC make any representations or warranties as to the accuracy of such information.
